ADVENTURES

MAY 27-JUNE 3, 2023

IT'S THE TRIP OF A LIFETIME,
SO DON'T MISS OUT!

With WWII wrecks scattered across 77 square miles, diving in Truk Lagoon is an adventure that you'll never forget! The wrecks are covered with life, including over 300 varieties of soft and hard corals. The outer reef consists of miles of coral that stretch as far as the eye can see, before dropping off into the abyss.

Water Temps: from 82-84° F.

Visibility: 30-100' depending on location within the lagoon.

Current: Little to None
